No. 379

COLORADO INTERSTATE GAS COMPANY,
a Corporation, PETITIONER,

v.

**FEDERAL POWER COMMISSION, CITY AND COUNTY
OF DENVER, COLORADO, PUBLIC SERVICE COM-
MISSION OF WYOMING, COLORADO-WYOMING
GAS COMPANY, PUBLIC SERVICE COMPANY OF
COLORADO, and CANADIAN RIVER GAS COM-
PANY, RESPONDENTS.**

**PETITION FOR REHEARING AND FOR ENLARGEMENT
OF TIME FOR ISSUANCE OF MANDATE AND STAY
OF MANDATE.**

Petitioner, Colorado Interstate Gas Company, files this petition for rehearing and enlargement of the time for issuance of mandate and stay of mandate for the sole reason hereinafter set forth.

Canadian River Gas Company in the companion case No. 380, October Term, 1944, is filing its petition for rehearing and enlargement of the time for stay of mandate.

A part of the reduction of \$2,065,000 per annum ordered by the Commission against your petitioner was based upon a reduction ordered in Canadian's case in the price of gas sold by Canadian to petitioner in the amount of \$551,000 per annum. If Canadian's petition for rehearing should be

granted and the order in Canadian's case ultimately enjoined, modified or set aside in whole or in part, then it would follow that the \$2,065,000 reduction ordered in petitioner's case should be reduced accordingly.

In order to protect its right to the extent above stated petitioner prays that a rehearing herein be granted and that an order be entered enlarging the time for the issuance of mandate and for stay of mandate in the event the petition for rehearing and enlargement of the time for the issuance of mandate is granted in Canadian's case.

Respectfully submitted,

WM. A. DOUGHERTY,
Room No. 3020,
